Sub: Regarding uploading of fee waiver datas in web portal.

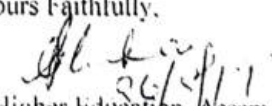

Sir,

With reference to the subject cited above, I would like to state that the web portal for uploading the fee waiver datas in respect of Universities and Colleges for the academic session 2019-20 has been developed through AMTRON like previous year. The Universities and Colleges authorities must have to follow the following steps for uploading fee waiver datas to minimise the data error.

1. Updating of University/College category and submit the document proof.
2. DHE will verify and approved the College category.
3. Institute will prepare and upload the all students Master Data.
4. Institute will prepare and upload the BPL students Master Data.
5. Entry of Fee Master Data( applicable only for Universities).
6. Uploading of Undertaking (that must be signed with official seal of concerned authority of the institution)
7. The final step is "Compile Data" to complete the Fee Waiver Process. (the Compile Data option is available in the Fee Waiver Application in the "Admission Process" Menu).

Please contact for any clarification at email via [prasanta.lahkar@amtron.in](mailto:prasanta.lahkar@amtron.in)
